

Pam Collins double award winner

Pam Collins was honored recently at the **Annual Association for Experiential Education Mid-South Regional Conference** with two of the regions annual awards. She received the Vicki Chamberlin Vision Award which was given to Pam for promoting the field of experiential education through her contributions and efforts. She also received the Mark Guidry Practioner of the Year award for demonstrating exceptional abilities in the field of experiential education due to her high standards, personal ethics, and facilitation skills.

CONGRATULATIONS PAM!
